

WAGE SUBSIDY PROGRAM

Work BC Employment Services offers an effective wage subsidy incentive program for hiring new employees. The Maple Ridge Work BC Centre may be able to offer assistance to offset training and orientation fees by reimbursing the employer a percentage of a new employee's wage.

The objective of this program is to assist individuals to gain long-term employment through on-the-job work experience.

General Eligibility:

- The new employee is required to work full-time, over 35 hours per week, unless a *special need* is identified for part-time work. **Special need* must be determined and authorized by WorkBC.
- Eligible candidates must have qualified for Employment Insurance benefits OR qualify for a wage subsidy under the SPEI program.
- The amount and length of each subsidy is negotiated on an individual basis
- The Employment Placement Specialist provides on-going support to monitor the new employee's progress
- Maple Ridge Work BC Centre will complete initial related paperwork

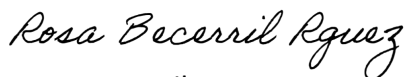

As an employer, you may qualify if you meet the following criteria:

- You are a registered business in B.C.
- You have sufficient WCB coverage and comply with all relevant legislation
- You are committed to providing ongoing, full-time employment
- You are willing to provide a full-time position of 35 hours per week
- Not be in receipt of Federal wage subsidy fundings, recovery hiring programs

IMPORTANT: The wage subsidy agreement must be signed BEFORE the candidate STARTS the job. If the candidate starts employment before, the Wage Subsidy will NOT be available to the employer.

To discuss your individual situation and eligibility, please contact the Wage Subsidy Advisor.

Sincerely,

Rosa Becerril
